October 1-9, 2020 | \$125.00 Per Participant

PLEASE REGISTER BY SUNDAY, SEPTEMBER 20 TO ENSURE TIMELY DELIVERY OF ALL MATERIALS.

Ayurveda believes that it is beneficial to our good health to cleanse our bodies and minds of toxins, wastes and excess doshas at the juncture of the seasons, with fall and spring being the most important times to cleanse. Cleansing gives the digestive system a chance to reset, repair and renew. This year, in particular, proves a crucial time for self-care, and doing a cleanse is a great way to incorporate some new habits of nurturing your entire being that can become lifetime support for health and longevity!

Keep in mind, an Ayurvedic Fall Cleanse is NOT a juice cleanse or a fast.

THE 9-DAY FALL CLEANSE STRUCTURE:

1. Three (3) days of prep (clean eating)
2. Three (3) days active cleansing
3. Three (3) days reintroduction (slowly bringing more variety into the diet).

During the six “bookend” days, a food list will be supplied with some very basic menus/recipes for suggestions to keep it simple. The three active cleanse days will be a kitchari mono-diet with an option to eat spiced oatmeal for breakfast.

WHAT IS INCLUDED:

- ☒ **Ayurvedic Fall Cleanse Comprehensive eBook/PDF**
- ☒ **Dosha Quiz, Review, and ZOOM Feedback Session** to assess your individual constitution. You will learn the basics about your constitution and what foods/activities/lifestyle best suit you.
- ☒ **FALL CLEANSE FOOD PACKAGE** Foods for the three active cleanse days are included, except for the optional fresh vegetables and condiments.
- ☒ **Facebook Peer Support Group Moderated By Meri Consor.** Our popular private Facebook group provide camaraderie and peer support. The peer support enables us to share ideas, discuss challenges and encourage each other during the process. You are invited to share photos and inspiring messages to help cheer on the group.
- ☒ **Daily Instructional, Educational, and Motivational Support**
- ☒ **Unlimited Email Support**
- ☒ **Scheduled calls, If Necessary**
- ☒ **BONUS: TWO ONLINE YOGA SESSIONS** (Sunday, Oct. 4 at 9:30 am and Tuesday, October 6 at 10 am)

Add-ons to the basic cleanse registration are available. These add-ons include daily routine supplies, cleansing herbs and nutritional supplements. All are available bundled or can be purchased a la carte.

Important: If you prefer to gather all the cleanse food supplies on your own, the price to participate in the group program is \$75.00. This includes the cleanse reference materials, admission to a private Facebook group, as well as unlimited email and telephone support...and two bonus yoga sessions. Typically, all participants choose to have Sunveda supply all materials.
